## VIP Preferred®

### VIP PREFERRED CARD ELECTRONIC ENROLLMENT

Enrolling for a VIP Preferred card is fast and easy with Global Payments' electronic enrollment process. Customers complete and sign a short enrollment form on a signature capture device, eliminating the need to store or handle paper enrollment forms. Global Payments' highly sophisticated scoring models can award new accounts with generous 8-day revolving check cashing limits of up to \$30,000 instantly. The new VIP card can then be printed right at the cage, allowing the customer to start cashing checks immediately. Once enrolled, a customer can then cash checks at any other property in the VIP Preferred network. No additional enrollment necessary. With over 2 million existing cardholders, this means instant cash access capability for customers and maximized opportunity to put more money into play at casino locations.
