

VERIFONE Vx680 GPRS Terminal With Integrated Contactless

INTRODUCTION

Having a GPRS terminal gives you the freedom to work anywhere, anytime. Perfect for a business that's constantly on the move, or if you want to take payments to your customers.

These terminals are often used at trade shows, pop up shops and even fast food delivery outlets but these compact, convenient terminals are capable of being used anywhere that there is a mobile signal - making them an essential item for any business on the road or without phone lines. You'll never have to miss out on a sale again!

The Verifone Vx680 has Contactless as standard allowing you to take payments in under one second whilst out and about, ensuring you keep queues to a minimum! It also comes with a full colour touch screen that allows easy reading and branding opportunities+.

The terminal comes with fast connection and a Roaming SIM card as standard; giving you the option for the best network for your area.
